

BUYING CLOTHES ONLINE IS NOT THAT EASY!

One can not feel, see or try the clothes properly. It's therefore very important to us that the quality of our products is the best.

We only sell apparel from the best manufacturers to keep tight control on all the manufacture elements. Not just the quality of the garment, but also social responsibility.

All our apparel is certified under Standard units Oekotex 100. This means that the apparel is tested and approved for hazardous substances.
